PRODUCT DATASHEET WTC1904

WTC1904

(600258)

PassivPlus Car Kit for HYTERA radios PD985. Usable with batteries BL2016.

General Description

Beyond to the usual functions of fast charge and trickle charge the PassivPlus Car Kit an external antenna adapter can also be connect. An additional antenna adapter is required for this (not included), so the signal is used from the external antenna instead of the conventional signal from the radio. This is to purchase separately . The radio is locked by a push mechanism at the top of the Car Kit. The Car Kit is connected to the on-board power supply.
