PRODUCT DATASHEET DC1-623BNC

DC1-623BNC

(600271)

Desk Charger for MOTOROLA radios MTP6550, MTP6650 and MTP6750, and also for the batteries NNTN8020 and NNTN8023.

Application Example

This stationary Car Kit is suitable for operational vehicles, for example at funfairs, festivals or other mejor events. An external antenna can be attached to the roof of the operation vehicle or the container and conneted to the Desk Charger. The reception of your radio is not affected. This version has an additional charging slot for two spare batteries. This gives you the opportunity to quickly swap a full battery for an empty one.
